Sweet Spot: Home of eLearn

TPACK: 3 Knowledge areas: CK: Content; PK: Pedagogical; TK: Technology

- **CPK**: Pairing appropriate pedagogical strategies with the content
- **TCK**: Identify the affordances to match the appropriate technology to the content
- **TPK**: How to make it more accessible

The sweet spot: TPC

- 3 working together in the context of the classroom, i.e. meeting the students need.
  - = ICT Integration
  - This is where the 21st century classroom is most effective/efficient

Teacher:
- Content/WHAT/Subject matter

Advisor:
- Technology: what tools are best suited to support the pedagogical strategy (e.g. group discussion/inquiry/modelling)

SCP & SA:
- Pedagogy: how to present the content e.g. instructional methods/direct instruction/modelling/group discussion/debate/
